Discipline

The management of discipline is an essential element in educational practice.

Trinity-Discipline helps teachers manage behavior in their classrooms quickly and easily. The application captures and generates data on behavior that teachers can share with parents and school administrators immediately.

- ✓ Real time communication with parents regarding discipline issues at school
- ✓ Consistency with teachers enforcing discipline policies
- ✓ Accountability for teachers correctly enforcing discipline policies
- ✓ Immediate consequences which result in immediate accountability
- ✓ Reduces overall administrative tasks such as reports and data entry
- ✓ Customizable to meet specific discipline management requirements
